PROJECT	Christmastime is No Time for Biddin'
AGENCY	Bid Dylan
LOCATION	IMS
DEPARTMENT	Holiday Songwriting

SCOPE OF WORK  
 Come gather round consultants  
 Wherever you roam,  
 And admit that success  
 Is a slippery stone,  
 But remember this holiday  
 When you're warm in your home,  
 And your family assembled there waitin'.  
 You better put away that laptop  
 Don't be the last to have known!  
 Christmastime is no time for a-biddin'.

COMMENTS  
 Come engineers, architects  
 Please heed the call,  
 Power down your phones  
 Pull the cords from the walls,  
 You'll thank me I promise  
 And in no time at all,  
 It'll be Monday  
 And the RFPs will be waitin'.  
 Now's the best time of year  
 To remind of what's big and what's small,  
 Christmastime is no time for a-biddin'.

\*\*\* HAPPY HOLIDAYS! \*\*\*
